The reason for the grant of the charge allowce to Lady Apothecaries in charge of the Female out-patients' Depts in the Genl Hospl, mysore & the old city Hospl, Bangalore was explained by the Senior Surgeon in para 9 of his letter no: 1099 d 26.9.94. The allowce was sanctd by Govt in their order d 9.3.1895. But the Comptroller has informed the Senior Surgeon that the allowce cannot now be passed to Miss Palmer under the authority of the said G.O on the ground that the Victoria Hospl has since undergone much change in several respects including its establishment. Lady Apothecaries will be rather reluctant to undergo training in Medl institutions if during such training they are not given the charge allowce which they would get if placed in charge of a Female dispensary. It is also to be noted that no officer has a claim to any sort of allowce as a matter of right and has to put up with the deprivation of an allowce if it is not attached

27) Re-subtd.

The question of granting a charge allowance and allowing free quarters to Lady Apothecaries selected for training in big Hospitals has now to be considered: the reasons for granting the allowce to Lady Apothecaries placed in charge of out-patients department (Female Side) apply equally in the case of Lady Apothecaries posted for training in the institutions.

28) As regards free quarters to Lady Apothecaries under training, it may be noted that quarters are said to be available only in the Victoria Hospl & the Maternity Hospl, Bangalore. In the Minto Hospl quarters have yet to be constructed. The Senior Surgeon's letter does not inform us as to whether quarters are available or not for Lady Apothecaries in the General Hospl, Mysore & the Vani Vilas Hospital, Mysore & all Lady Apothecaries do not seem to be allowed free quarters at present. This will not involve any loss to Govt as they will replace a Hospital Assistant or an Asstt Surgeon. If they are however posted for mere training in lieu of the Std strength of the Institution, the allowance will not be admissible.

36) Regarding "free quarters" the letter of the Senior Surgeon discloses that there is not any ~~emergency~~ urgent necessity for giving them Quarters. But if as the Sr Surgeon says he can make them do attend to emergent work there is no objn to free quarters being

It will be seen from paragraph 1(2) of Senior Surgeon's letter of 16.8.15 that Lady medical subordinates will be placed in charge of female out-patients Dept under the general supervision of the Lady med Officer in the Victoria Hospl, Bangalore and along with or under the guidance of the med officers in charge, at the maternity & the Minto Ophthalmic Hospitals, Bangalore. Thus it seems that Lady Apothecaries will not be appointed permanently to fill regular charges. It is a point for orders as to whether, in view of the financial opinion in para 35 supra, the charge allowce may be sanctd.

38) As the Senior Surgeon has stated that Lady Apothecaries while under training may be made liable to be called upon to assist in emergent cases, free quarters may, if apprd, be allowed to them. No. 131 dated 5th July 1915 from the Senior Surgeon, M.G. to the Comptroller of Mysore, Bangalore.

His No. 9645/T.A.M.2843 dated 29-6-1915.

In reply to the above, has the honor to state that, with the exception of the late Mrs Dhansingh, no other Lady Apothecary was till now permanently posted to the Victoria

Hospital

Hospital, for the charge of the Women and Children out-patients department, which has been held by gazetted lady medical officers for several years past. Hence there was no occasion for the concession being availed of. It is requested that the disbursement of the allowance to Miss Palmer may be kindly authorised as early as possible.

No. 209/T.A.M. 50 dated 10/13th July 1915 from the Comptroller of Mysore, to the Senior Surgeon, M.G.

With reference to his docket No. 131 dated 5th July 1915 in re. the grant of a charge allowance of Rs 10 to the Lady Apothecary attached to the Victoria Hospital, has the honor to request that he will be so good as to intimate the period during which the Lady Apothecary Mrs. Dhansingh was working in the Victoria Hospital and whether she drew any charge allowance for that period.

No. 371 dated 17th July 1915 from the Senior Surgeon, MG, to the Comptroller of Mysore.

His No. 209/T.A.M. 50 dated 10-7-1915.

In reply to the above, has the honor to state that Lady Apothecary Mrs. Dhansingh was attached to the Victoria Hospital from 8-12-1900 to 1-3-1902 and that she continued to draw the charge allowance of Rs 10/- which she was drawing while attached to the institution under its old designation, viz,- the City Hospital, on the authority of the Government Order No of 1895 quoted in this office No. 6471 dated 17-6-15.

No. 619/T.A.M.142 dated 27th July 1915 from the Comptr. of Mysore, to the Senior Surgeon, M.G.

With reference to his docket No. 371 dated 17th July 1915 in re. the grant of a charge allowance of Rs 10/- to the Lady Apothecary attached to the Victoria Hospital, Bangalore, has the honor to state that the allowance cannot now be claimed by the present incumbent on the authority of the Government Order dated 9th March 1895 as everything in connection with the institution has undergone much change since including

Sir,

With reference to your docket No. 1010/Med. 26-15-2 dated 5-8-1915, I have the honor to furnish below, the information required on the points therein noted, in their proper order.

(1) A local allowance of Rs 10/- each to the Hospital Assistants(now Sub Assistant Surgeons) posted for duty in the Victoria Hospital, was sanctioned in Govt. Order No. 932-3/M.F. 25-97 dated 19-7-1901. The number was subsequently raised to 6 and the posting is ordered in rotation, to give to each of the Sub Assistant Surgeons in the Department a chance of training in the hospital.

(2) The lady medical subordinates will be placed in charge of the female out-patients department (under the general supervision of the Medical Officer) in the Victoria Hospital, where there is such a department. In the Maternity which is entirely meant for female patients and the Minto Ophthalmic Hospital which has no provision for a separate female out-patients department, the lady medical subordinate will attend to the female

female out-patients along with or under the guidance of the Medical Officers in charge. The grant of charge allowance is necessary as these ladies will have to be taken out of their independent charges where they are in receipt of the allowance and cannot without undue hardship, be deprived of the same on their posting to the Bangalore institutions in the interests of efficiency.

(3) Quarters for the lady medical officer were provided in the premises of the Victoria Hospital to complete the organisation of the institution. The last lady medical officer who was doing duty in the institution never occupied the quarters and her predecessors, though they were occupying the quarters, never attended to any emergency cases which were being managed only by the Resident Medical Officer. By providing the lady medical subordinates with the free quarters they may be made liable to be called upon to help and attend to emergencies among female patients and this will form an important part of their training.

(4) Quarters are at present available in the Victoria Hospital, and can be made available in the Maternity Hospital. There are no quarters in the Minto Ophthalmic Hospital. When the construction of the subsidiary buildings of this institution is taken on hand, a modest structure for a lady medical subordinate may well be included. But no additional compensation is proposed to be given to the lady medical subordinate in lieu of free quarters for the period of her duty in the last named institution.

I have the honor to be,

Sir,

Your most obedient servant,

To

The Secretary to the Government of
H. H. the Maharaja of Mysore,

Sir,

With reference to your office docket No. 2494 Med. 26-15-7 dated 24th September 1915, I have the honor to state that Lady Apothecaries are not now allowed free quarters. But the proposal of allowing them free quarters during the period of their posting to these special institutions for training has been made on the analogy of Sub Assistant Surgeons attached to these institutions on the ground that they should be liable to be called upon to assist in emergencies. Quarters are available in the Vani Vilas Hospital, Mysore, and when the construction of residential quarters for the staff of the General Hospital is taken up provision will be made for quarters for Lady Apothecary.

2. I may add that, for the present these Lady Medical subordinates will be posted only to the medical institutions in Bangalore for training, till the new buildings of the General Hospital, Mysore, are completed and the hospital shifted there.
